

## **2018/19 Corporate Objectives**

1. Commission high quality care for patients, that is safe, value for money and in line with the NHS Constitution
2. Meet the CCG's financial duties and support delivery of the CCG's other objectives, on a sustainable basis
3. Work collaboratively with partners and stakeholders to develop sustainable health and social care in North Tyneside and the wider Cumbria & North East system
4. Continue to develop North Tyneside CCG as a patient focused, clinically led commissioning organisation with a continuous learning culture

Approved by the CCG Governing Body: 24 April 2018
