Matters Arising

A future meeting will include Talking Therapies at The Green and this will be arranged in due course.

It is still unclear whether the Psychiatric Wards 19, 20 and 21 at Rake Lane Hospital have now merged into one. Carole will make some enquiries and bring feedback to the group.

At the last meeting in Any Other Business Judy Scott raised the subject of a scheme called Silver Link which holds counselling sessions for people who are newly diagnosed with dementia. It was decided members did not know enough about the subject of dementia to get involved.

Michele confirmed that the group would arrange some future visits to hospitals and mental health services in the borough, this will be confirmed.

The future of this group will be discussed at the Development Session which at present is scheduled to take place on Thursday, 5 March.

Michele explained about raising awareness of the CCG's Hear My Voice survey which is a piece of work taken on by the CHCF over a period of three years. It has had technical problems but is now up and running. Ray said his Cullercoats Men's Group would be interested in filling out the questionnaires and he would get back to Michele with a date, time and venue. He runs the group and is always looking for public service items to discuss. Steve added that his Walking Group would also like to get involved.
