

COVID-19 vaccination services in North Tyneside

North Tyneside Council

NHS

COVID Vaccine
North East and North Cumbria

Everyone who is eligible who has not yet had their first vaccine is urged to book as soon as they can. Thousands of appointments are available in community locations across North Tyneside.

In North Tyneside all residents under 40 years of age will be offered the Pfizer vaccine. On the national booking system, you will only be offered appropriate sites to book for your circumstances.

If you have already had your first dose please keep your existing second dose appointment and attend as planned.

To access a second dose walk-in service, make sure you attend a site which is administering the same vaccine as the first dose you received. You have to wait at least 8 weeks between first and second dose for cohorts 1 – 10.

You must not be COVID-19 positive, have any symptoms or not told to isolate due to COVID. If you've had a positive COVID-19 test, you should wait 4 weeks from the date you had the test before you book an appointment.

There are two different types of vaccination services available in North Tyneside, bookable appointments and walk-in services:

Bookable appointments

Visit

www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/book-coronavirus-vaccination/

OR you can **Phone 119,**
between 7am – 11pm

- Anyone in the latest eligible groups
- 16 locations across North Tyneside, various times, booked in advance via the NHS National Booking Service

Walk-in vaccination services

You do not need an appointment to attend. If you have your NHS number that would be helpful. You can find this on any letter or document you have received from the NHS, including prescriptions, test results and hospital referral letters or via the NHS App.

- Walk in – no appointment needed
- Anyone in the latest eligible groups
- Live or work in North Tyneside
- Some community pharmacy sites offer first and second doses. Check what the site offers below before you attend.
